

The No. 6 light beacon on the Tokyo West Passage will be changed to a virtual AIS Aid to Navigation.

On March 11, 2021 (alternative dates: March 12 – 16), the No. 6 light beacon on the Tokyo West Passage will be removed, and a virtual AIS in the same position will display a symbol mark.

AIS name : V/TOKYO-WEST-No6

● What is a virtual AIS Aid to Navigation?

This is an aid to navigation that displays a virtual symbol mark on navigation radars and digital nautical charts.

**The shape of the Tokyo West Passage will not change.
Pay attention to the course of your vessel while navigating!**
